

شركة نخلة للصناعات الغذائية
Nakhlah Food Industries Company

ABOUT NAKHLAH

Nakhlah Food Industries Company is a factory that specializes in dates and its derivatives located in the 3rd Industrial City in Dammam, Saudi Arabia. "Nakhlah" is an Arabic word meaning "palm tree". We chose this name in honor of the Emblem of Saudi Arabia, which symbolizes vitality, growth, and prosperity.

OUR CERTIFICATIONS

OUR VISION

To be present in every household in Saudi Arabia, and become one of the leading factories in exporting distinguished date food products.

OUR MISSION

To provide the finest date products in the local and global market according to international quality and food safety standards at competitive prices.

OUR VALUES

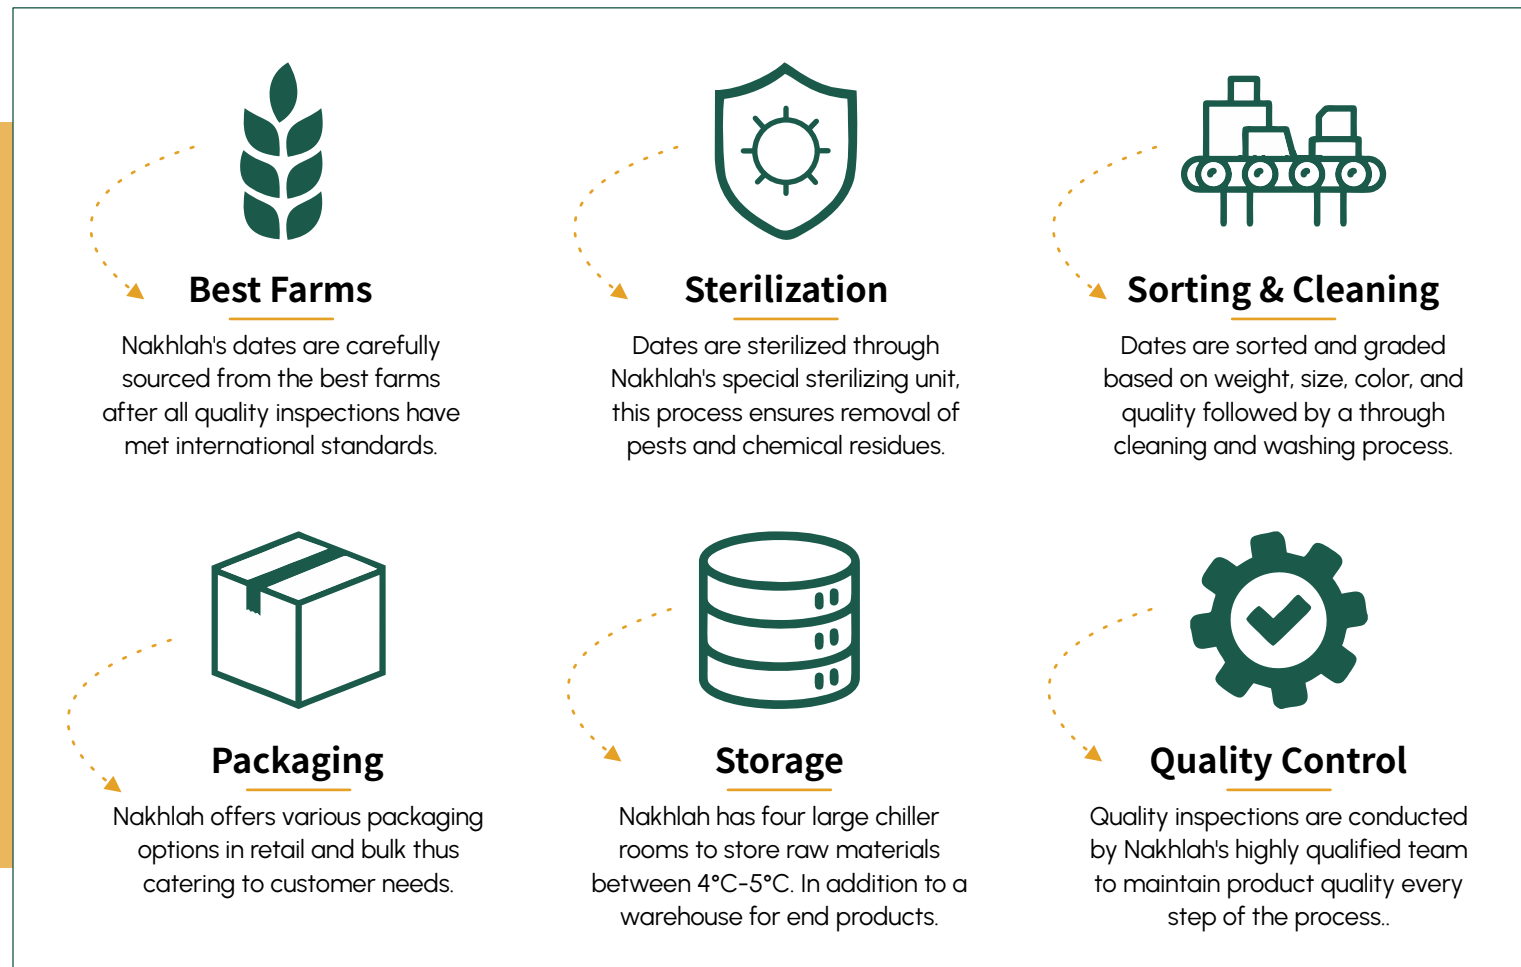

- Quality
- Integrity
- Accountability
- Excellence
- Safety

OUR PROCESS

Nakhlah comprises dedicated departments for sterilizing, sorting, washing, and packaging to ensure a streamlined production process. We offer a diverse range of packaging options – catering to varying client needs and requirements.

Sterilizing Unit

Continuing with our legacy of unprecedented innovation, Nakhlah proudly boasts of a modern sterilizing unit that ensures all raw materials meet our high quality and safety benchmarks.

DATE MOLASSES

Bring a spark of sweet delight to your foods and drinks with premium date molasses.

Delicious Sweetener

Honey Like Texture

Natural Sugar

Benefits

- Sweeten up your recipes with healthier delicious sugar alternative.
- Its nutrient-rich quality strengthens the immune system and promotes healthy digestion.
- Dates molasses has high levels of sugars and is a natural source of energy, making it a great alternative to other, more processed sweeteners.
- Dates molasses source of iron, which can help prevent anaemia during pregnancy, and folate, which is important for fetal development.
